Dear Miss Parlow:

Thank you for your wire of this morning. I am delighted to know that you will be able to come to Alberta for the Presentation of the University of Alberta and the Banff School of Fine Arts National Award in Music. This means that all three of the Award winners will be here and it will really be a fine occasion.

After being in touch with the other two recipients, namely Eric Arthur and Roderick Haig-Brown, it has been agreed that Friday evening, April 20th will suit their convenience best so we are having the Presentation of the National Awards as part of the Scholarship Night which I think is a rather fitting occasion.

If you will make your flight reservations from Toronto by both coming to Calgary and returning from Calgary to Toronto and let us know what flight you have reserved, we shall pre-pay them for you. Also if you will let us know the time of arrival of the flight in Calgary we will know whether to make a reservation for you at the Palliser Hotel or to have someone meet you at the plane and bring you directly to Banff. This will depend on your time of arrival.

I think that Eric Arthur is leaving on the 9.00 p.m. Constellation Flight on Thursday night which will get him to Calgary either late that night or early on Friday morning and I am reserving a room at the Palliser Hotel for him. I would be glad to do the same for you if you happen to be on that Flight. You would then proceed to Banff on the Dominion leaving Calgary about 8.30 the next morning and arriving in Banff at 11.30 a.m. on Friday, July 20th..These are

just suggestions as to local transportation arrangements for your convenience.

We would appreciate having a photograph of you at your early convenience in order that we may go ahead with our publicity work.

For your information, I am enclosing a schedule of the evening programs which will be on during this 24th Annual Festival.

Looking forward to having you with us with a great deal of pleasure, I am,

Yours sincerely,

Donald Cameron
